

## PERMANENT STRAIGHTENING – CARE SHEET

Thank you for choosing to have your hair permanently straightened at Delilah. Below is a list of information to help you look after your hair and get the most out of your straightening.

- \* DO NOT tie your hair up, wear glasses on top of your head, use head bands or clips or tuck it behind your ears for 72 hours after your hair has been straightened.
- \* DO NOT wash your hair for 72 hours after your hair has been straightened.
- \* When it is time to wash your hair, please use a premium quality shampoo and conditioner that is **sulfate free**. Your choice of shampoo and conditioner should be hydrating and nourishing.
- \* Weekly treatments should be carried out on your hair. (top quality leave in or rinse out treatments are available to purchase at the studio)
- \* Leave in styling products are ok to use and are recommended. (Glosses, 'moroccan ois' and other smoothing agents are available to purchase at the studio)
- \* Protecting your hair against the elements and lifestyle will help you to extend the life of your straightening (eg, protecting against chlorine, sun exposure ect)
- \* Regular trimming of the hair is recommended.
- \* colouring your hair is ok, it is recommended to wait 2 weeks before and after your permanent straightening.
- \* Having a KERATIN STRAIGHTENING on top of your permanent straightening is allowed and recommended after 2 weeks. (for information on keratin straightening, please visit the page titled 'keratin straightening' on the Delilah website [www.delilahhairstudio.com](http://www.delilahhairstudio.com))
